

**Department of Agronomy, Soil Science & Agril. Chemistry, Agril. Engineering, Plant  
Physiology and Animal Science (ASEPAN)  
Palli Siksha Bhavana  
( Institute of Agriculture )**

Faculties with Broad Area of Research and Vacancies in different disciplines in the academic year 2011-2012

**1. Agronomy**

Vacant seats : 24

| <b>Sl. No.</b> | <b>Name of the faculty</b> | <b>Designation</b>      | <b>Broad areas of research</b>                                   |
|----------------|----------------------------|-------------------------|--|
| 1              | Dr. D. C. Ghosh            | Professor               | 1. Crop Growth Analysis and Yield Modeling                       |
| 2              | Dr. G. C. De               | Professor               | 1. Weed Science<br>2. Crop Husbandry                             |
| 3              | Dr. B. K. Saren            | Reader                  | 1. Water Management  |
| 4              | Dr. A. K. Barik            | Reader                  | 1. Integrated Nutrient Management<br>2. Cropping System Research |
| 5              | Dr. B. Duary               | Reader                  | 1. Weed Science<br>2. Cropping Systems                           |
| 6              | Dr. G. C. Malik            | Reader                  | 1. Soil Fertility Management                                     |
| 7              | Dr. S. K. Maity            | Lecturer<br>(Sr. Scale) | 1. Soil Fertility Management<br>2. Conservation Agriculture      |
| 8              | Dr. K. Pramanik            | Lecturer                | 1. Dryland Agronomy<br>2. Water and Nutrient Management          |
| 9.             | Dr. M. Banerjee            | Lecturer                | 1. Soil fertility management<br>2. Crop husbandry                |

## 2. Soil Science & Agricultural Chemistry

Vacant seats : 13

| Sl. No. | Name of the faculty  | Designation             | Broad areas of research                           |
|---------|----------------------|-------------------------|---|
| 1       | Dr. A. K. Chatterjee | Professor               | Soil Chemistry and Soil Fertility                 |
| 2       | Dr. S. R. Mitra      | Professor               | Agricultural Chemicals                            |
| 3       | Dr. G. K. Ghosh      | Reader                  | Soil Fertility                                    |
| 4       | Dr. P. K. Biswas     | Reader                  | 1. Agricultural chemicals<br>2. Soil microbiology |
| 5       | Dr. S. Mondal        | Lecturer<br>(Sr. Scale) | Soil Fertility                                    |
| 6       | Dr. Y. V. Rao        | Lecturer                | Agricultural Biochemistry                         |

## 3. Agricultural Engineering

Vacant seats : 2

| Sl. No. | Name of the faculty | Designation | Broad areas of research                    |
|---------|---------------------|-------------|--|
| 1       | Dr. R. Moitra       | Reader      | Soil and Water Conservation<br>Engineering |

## 4. Animal Sciences

Vacant seats : 4

| Sl. No. | Name of the faculty  | Designation | Broad areas of research |
|---------|----------------------|-------------|-------------------------|
| 1       | Dr. S. K. Pyne       | Professor   | Animal Science          |
| 2       | Dr. J. K. Chatterjee | Reader      | Animal Science          |

**Department of Agril. Extension, Agri. Economics & Agril. Statistics (EES)**  
**Palli Siksha Bhavana**  
**(Institute of Agriculture)**

Faculties with specialization and vacancies for Ph.D.admission in different disciplines for the academic year 2010-2011 are given below:

**Agricultural Extension**

Vacant seats: 11

| Sl. No. | Name of the faculty         | Designation     | Specialization  |
|---------|-----------------------------|-----------------|-----------------|
| 1.      | Swapn B Mukhopadhyay        | Professor       | Agril.Extension |
| 2.      | Debabrata Basu              | Professor       | Agril.Extension |
| 3.      | Sarthak Chowdhury           | Professor       | Agril.Extension |
|         |                             |                 |                 |
| 4.      | Siddhartha Dev Mukhopadhyay | Senior Lecturer | Agril.Extension |
| 5.      | Anindita Saha               | Senior Lecturer | Agril.Extension |
|         |                             |                 |                 |
|         |                             |                 |                 |

**Agricultural Economics**

Vacant seats: 07

| Sl. No. | Name of the faculty | Designation | Specialization  |
|---------|---------------------|-------------|-----------------|
| 1       | Kazi M.B.Rahim      | Professor   | Agril.Economics |
| 2       | Bidhan Chandra Roy  | Reader      | Agril.Economics |
| 3.      | Debashis Sarkar     | Reader      | Agril.Economics |

**Agricultural Statistics**

Vacant seats: 02

| Sl. No. | Name of the faculty  | Designation | Specialization        |
|---------|----------------------|-------------|-----------------------|
| 1       | Debasis Bhattacharya | Professor   | Statistical inference |
| 2       | Shibaji Chakraborti  | Professor   | Statistics            |
|         |                      |             |                       |

**VISVA- BHARATI**  
**DEPARTMENT OF PLANT PROTECTION**  
**Palli – Siksha Bhavana**  
**(Institute of Agriculture )**  
**Sriniketan -731236 , Birbhum**

Current vacancy for admission into Ph.D. Course for academic session 2011-2012  
**Plant Pathology – 18; Agricultural Entomology - 2**

| Sl No | Name of Eligible Faculty for Ph.D. Supervision | Specialization  | Remarks  |
|-------|--|---|--|
| 1.    | Professor Nakul Chandra Mandal                 | Fungal Plant Pathology<br>Postharvest Pathology<br>Root Pathology             | May also supervise student in inter-disciplinary areas. Thirty years teaching also in Agril. Microbiology, Plant Virology and Plant Bacteriology and able to supervise in these areas too. |
| 2.    | Dr. Ranjan Nath                                | Fungal Plant Pathology ,<br>Plant Virology                                    |  |
| 3.    | Dr. Mohan Kumar Biswas                         | Fungal Plant Pathology ,<br>Plant Virology<br>Mushroom Science                |  |
| 4.    | Dr. Bholanath Mondal                           | Fungal Plant Pathology<br>Plant Bacteriology<br>Angiosperm Plant<br>Parasites |  |
| 5.    | Dr. Hirak Chatterjee                           | Economic Entomology   |  |
| 6.    | Professor Kanchan Boral                        | Economic Entomology   |  |

**DEPARTMENT OF CROP IMPROVEMENT, HORTICULTURE AND  
AGRICULTURAL BOTANY (CIHAB)  
Palli Siksha Bhavana  
(Institute of Agriculture)**

Faculties with specialization and vacancies in different disciplines in the academic year  
2011-12

**Horticulture**

Vacant seats: 02

| <b>Sl. No.</b> | <b>Name of the faculty</b> | <b>Designation</b> | <b>Specialization</b>               |
|----------------|----------------------------|--------------------|-------------------------------------|
| 1              | Prof. P. S. Munsu          | Professor          | Horticulture                        |
| 2              | Prof. D. Sanyal            | Professor          | Horticulture                        |
| 3              | Dr. S. Chakravorty         | Sr. Lecturer       | Vegetable Science &<br>Floriculture |
| 4              | Dr. Joydip Mandal          | Sr. Lecturer       | Vegetable Science                   |

**Genetics and plant breeding**

Vacant seats: 06

| <b>Sl. No.</b> | <b>Name of the faculty</b> | <b>Designation</b> | <b>Specialization</b>       |
|----------------|----------------------------|--------------------|-----------------------------|
| 1              | Prof. P. C. Kole           | Professor          | Genetics and plant breeding |
| 2              | Dr. A. Paul                | Reader             | Genetics and plant breeding |
